

HOPEWELL STALLIONS, LLC

2009 BREEDING SEASON SHED REQUIREMENTS

DOMESTIC MAIDEN MARES:

A negative aerobic (regular) uterine culture is required within **30** days before their initial cover in 2008, and on the third (3rd) cover (*taken from the current heat period*). A negative uterine culture is required on the third (3rd) cycle (doubles not included) and every cycle thereafter. ***All maiden mares must be jumped before coming to the breeding shed.***

DOMESTIC BARREN MARES:

A negative aerobic (regular) uterine culture is required within **30** days before their initial cover in 2008, and on the third (3rd) cover (*taken from the current heat period*). A negative uterine culture is required on the third (3rd) cycle (doubles not included) and every cycle thereafter.

DOMESTIC FOALING MARES:

A negative uterine culture is required on the second (2nd) and third (3rd) cycles (doubles not included) and every cycle thereafter.

IMPORTED MARES:

All maiden mares of foreign origin must comply with the 2008 USDA and Kentucky Department of Agriculture regulations. Please contact the Kentucky State Veterinarian's Office (502-564-3956) to obtain the necessary requirements. ***All imported mares must be announced at time of booking.***

IMPORTED FOALING AND BARREN MARES:

All foaling and barren mares of foreign origin must be initially accompanied by a copy of the Quarantine Release. They must also comply with all 2008 USDA and Kentucky Department of Agriculture requirements, obtainable from the Kentucky State Veterinarian's Office (502-564-3956). ***All imported mares must be announced at time of booking.***

ALL mares must be accompanied to the breeding shed by a statement attesting that they have been vaccinated for Equine Herpes Virus Type-1 with Rhinomune or Pneumabort-K from 7 to 90 days before breeding. NO exceptions will be made.

It is the responsibility of the mare owner or his agent to present the mare for breeding. All mares must have proper identification when presented for breeding (halter or neck strap with her name on it). If the mare does not have proper identification, she will not be bred. **PLEASE BE ON TIME!**
