

NB: NAJRAN shows only 2 crosses of \*NASRULLAH in his 5-cross, but has a total of 7 in his first 7 generations. When considering a mare for NAJRAN, adding more \*ROYAL CHARGER or NEARCTIC might be more suitable than to add more \*NASRULLAH. If you have any questions, please do not hesitate to call us here at Hopewell and we will be happy to review the pedigree for you.
